Cheryl Mihalko

Landscape Architect

Northside Commons, LLC is committed to giving its residents the complete package in luxury living. Since there is no greater luxury than aesthetic beauty at home, we would like to introduce to you Ms. Cheryl Mihalko, landscape architect. Cheryl is an extremely qualified and dedicated landscape architect with a Master of Landscape Architecture degree from Cornell University and a Bachelor of Landscape Architecture from California Polytechnic State University of California Davis and the University of Georgia. She is licensed to practice landscape architecture in both California and Georgia. Cheryl's public works include the University of Georgia Ethnobotanical Garden and it's sister projects in Costa Rica, Argentina, and Ecuador. She also regularly lectures to associations, clubs and groups interested in the history and process of making beautiful gardens. Currently, Ms. Mihalko is designing a landscape plan for the new Southern Living 2004 IDEA HOME at The Georgia Club in Statham, Ga. We are proud to have Ms. Mihalko on board at Northside Commons and look forward to working with her to make Northside Commons a beautiful place to live.
